```
Bb                        F       Eb        F   Bb
I feel like I died and went to heaven
                                                 F         Eb     F  Bb
The cupboards are bare but the streets are paved with gold
          F             Eb      Bb
I saw a young girl who didn\ t die
          F          Eb       Bb
I saw a glimmer from in her eye
           Dm                 Gm
I saw the distance I saw the past
       Eb                                          F
And I know I won\ t awaken, it\ s a dream that can last
