Carmichael
Neil Young

Album: Greendale
Tabber-Edwardthegreat5
Notes- Play these two chords over and over...insert riff in the right spots...just solo
too hard.

```
-0---3-----------------------------------------------------------------------|
-0---0-----------------------------------------------------------------------|
-2---0-------------------0-------------------------------------------------|
-2---0---------------2-4------------2-4-0-----------------------------------|
-0---2------0---3-4---------0---3-4-----------------------------------------|
-0---3-----------------------------------------------------------------------|
```
