B G#m B F#
I m living with war every day,
B G#m E F#
I m living with war in my heart every day,
B G#m E F#
I m living with war right now.

B F#
And when the dawn breaks I see my fellow man,
B F# E B
and on the flat-screen we kill and we re killed again.
F# B
And when the night falls, I pray for peace,
F# E
try to remember peace.

B F#
I join the multitudes, I raise my hand in peace,
B F# E B
I never bow to the laws of the thought police.
F# B
I take a holy vow to never kill again,
F# E
to never kill again.

B G#m E F#
I m living with war in my heart,
B G#m E F#
I m living with war in my heart and my mind,
B G#m E F#
I m living with war right now.

B F#
Don t take no tidal wave, don t take no mass grave,
B F# E
B
don t take no smokin gun to show how the West was won.

F# B
But when the curtain falls, I pray for peace,
F# E
try to remember peace.

B F#
In the crowded streets, in the big hotels,
