We ve been through some things together,
C#m             A        B
With trunks of memories still to come.
E        B/D             A      E
We found things to do in stormy weather.
C#m   B       E
Long may you run.

E            B/D  A        E
Long may you run, long may you run,
C#m             A            B
Although these changes have come.
E                      B/D
With your chrome heart shinin
A      E    C#m   B       E    A   C E
in the sun, long may you run.

E                   B/D            A          E
Well it was back in Blind River in nineteen sixtytwo
C#m          A        B
When I last saw you alive.
E                  B/D         A        E
But we missed that ship on the long decline.
C#m    B      E
Long may you run.

E            B/D  A        E
Long may you run, long may you run,
C#m             A            B
Although these changes have come.
E                      B/D
With your chrome heart shinin
A      E    C#m   B       E    A   C E
in the sun, long may you run.

Maybe the Beach Boys have got you now
C#m         A             B
With those waves singin  Caroline.
E               B/D     A      E
Rollin  down that empty ocean road,
C#m           B       E
Get into the surf on time.
