```
D                              D7
You said you dreamed of candlelight
G                       Em
And old time French Champagne
G             D
Satin pillows on the bed
E7           A7
Music softly playing

D                             D7
Tonight you re gonna have it all
G             Em
I only aim to please
G               D        G
Let me lead you down the hall
D    A7        D
This dreams on me

Bm                    A7          G  A7 D
Dreams for some will always be a mystery
F#m           Bm               G  A7
Like a fairy tale just make believe
G                A7                D        Bm
Won t you let me show you how good love can be
D    A7        D
This dreams on me

                               D7
Close your eyes I ll take you where
G                      Em
I hope you ll come to stay
G                    D
I know I ve told you all your dreams
E7            A7
May come true someday

D                                 D7
They re waiting right behind that door
G                   Em
Your s to touch and see
G               D         G
Tonight will be like none before
D    A7        D
