Image Blown Out
Genesis

[Intro] **Bb Eb/C**

```
 Bb                                      Cm
People moving about the town upside down, you know why
 F                 Cm                 F
Little bits of coloured glass in the sky
 Bb                                      Cm
Children pushing Mummy down to the park, in a pram
 F                 Cm                 F
Look out the pavement s changing to jam

 F
See them running
Now where are they going to
                             F  F7 F Gm/G
To follow them, leads you nowhere
 F
Shout to them quickly but no one can hear you
All they can do is to stare

 G#
Your bowler hats are turning green
 G#                              G
Your city suits are coloured cream
 Eb                       Bb
You, you who changed my life
            Dm             Gm7            Ebm
You made it misery, sadness reins alone
               Bb            Ebm
Wonder why you do this, to me
                   Cm         F
When I ve tried so hard for you

 Bb                                          Cm
People talking to the man who s digging a hole, in his mind
 F                  Cm                  F
He s no need to worry, he s  deaf and blind
 Bb                                      Cm
See the dustman doing his round in a Rolls made of glass
 F                  Cm                 F
He s gained everything because he s got class

Friends are leaving me when I did everything
                         F F7 F Gm/G
Just as they used to behave
 F
Trying to copy them, losing my real self
```

Floating away in a cloud

```
 G#
Your minds have blown you out of step
 G#                                G
The rules you taught you never kept
 Eb                        Bb
You, you who changed my life
            Dm               Gm7            Ebm
You made it misery, sadness reins alone
               Bb            Ebm
Wonder why you do this, to me
                    Cm         F     Bb
When I ve tried so hard for you
```
