Well, here is a great little tune off of Down by the Old Mainstream , probably one of the best records released that year. The whole song pretty much consists of a few different little riffs, and then a few chords for the chorus. Have fun with it and improvise if you want.

Intro

```
e ---------------------------------3---3---3---3---3---3---3-|
B --3---3---3---3---3---3---3-3-0h1-0h1-0h1-0h1-0h1-0h1-0h1-|
G 0h2-0h2-0h2-0h2-0h2-0h2-0h2-0----------------------------|
D ------------------------------------------------------------|
A ------------------------------------------------------------|
E ------------------------------------------------------------|

E ---3-
B ---0-
G -----
D -----
A -----
E -----
```

Verse

Pattern #1

```
e ------------------------------------------------------------|
B ------------------------------------------------------------|
G --------------------------------0h2-0---------------------|
D ----------------------------0h2-------2--------------------|
A -----0h2-----0h2-----0h2-2-------------------------------|
E -3-3-----3-3-----3-3-------------------------------------|
```

Pattern #2

```
e ------------------------------------------------------------|
B ------------------------------------------------------------|
G -------------------------------0-2-0----------------------|
D -----0h2-----0h2-----0h2--0h2----------------------------|
A ------------------------------------------------------------|
```

```
E -0-0-----0-0-----0-0-------------------------------------|

Pattern #1                   Pattern #1
Let s go down, together, 3 a.m. tomorrow night

Pattern #2
I ll take you, over anything

Pattern #1

P#1                      P#1
Let s go out together, broad daylight, in the street

P#2
I ll take you, anywhere

P#1

Chorus

Am         C            F
Your music fills my car
D                                 G
And your voice breaks every time
Bm      Am                                     D
  Intro
I m still wonderin , if I know who you are,  I hang on every line

P#1

P#1                          P#1
Let s go down, together, down by the old mainstream
P#2
I ll take you, over anything

P#1                      P#1
Let s go back, in time, 1959
P#2

P#1

Chorus

Am         C            F
Your music fills my car
D                                 G
And your voice breaks every time
Bm      Am                                     D
  Intro
I m still wonderin , if I know who you are,  I hang on every line

P#1
```

P#1

Outro same as intro

End on a G
