G                       C                                Em
I don t wanna see your face I don  t wanna hear your name
                Bm          Bb       C
i don t want a thing just staY away baby
G                      C                             Em
Wanna know if you re alright what your doing with your life
                               C             D
don t wanna hear that you ll stay in touch maybe
 C                 Dm            Em       Bm
I ll get by just fine and you re going darling
F          D
goodbye, goobye

|Chorus|
G          C                       Am
Don t call me in the middle of the night no more
          D              G
don t be expect me to be there
            C                     Am
don t think that it ll be the way it was before
       D
don t think i care
     C
i m not over you yet
                               Em Bm Bb
and i don t wanna be your friend
G                    C                    Em
I ll forget we ever met l llforget i ever let
                       Bb        C
ever lrt you into this heart of mine baby
G                   C
you just gotta let me be
                    Em
gotta keep away from me
                                 C
```

```
 cause all i wanna be is just free from you baby
C               Am                  Em
don t you come around  and say you still care about me
F       D
go now,go now

|repEat Chorus|
Am        D
taking it casually
