Lyrics/Song Structure:

=====

---> Play Intro (x1)

---> Play Verse 1 over:

SA:

We bust the sound
The kids all gather round

Nick:

And what s comin from their radios
They all turn down

SA:

The creativeness
We are scientists

Nick:

Move em with soul
Move em with this

---> Play Verse 2 over:

SA:

When the bass kicks
We get intimate

Nick:

With the music and the people
Yeah they re into it

SA:

Takin off cruisin through the air

Both:

The sound is aerodynmaic
Let me take you there

---> Play Bridge 1 (x1)

---> Play Verse A over:

SA:

I am a cool and mellow man

Nick:

Always got a plan

SA:

Copin out problems every time I can

Nick:

I d like to be known as a great communicator

SA:

If you got beef don t save it for later

---> Play Verse B over:

Nick:

I battle evil weekly monthly yearly
But every step I take the devil stays near me

SA:

Otherwise maintain on the globe

Both:

Just another space trippin vato

---> Play Bridge 1 (x1)
---> Play Bridge 2 over:

SA:

Massive yang and yin on this earth we spin
Sometimes I gotta center find out who I am

Nick:

I chill out I let in the wind

SA:

I gotta feel the pulse of the planet on my skin

Both:

I got news for ya it ain t nothin nice
We all got demons we all gotta vice
The struggle never ends
To keep it in check
But I never stop trying
To make the trek whadup

---> Play Bridge 3

---> Play Ending over:

Nick:

Which one is it who ya gonna believe
Undivided in my material being
Undivided life
You can t fade me
Desperate the cling I make to positvity
Stay gettin it on til the doubt is gone
If you could be dissuaded you were dead all along
Like what s up now you can t fade me
Still in that same old trade of positvity
