Milky Way Tonight
Graham Nash

Milky Way Tonight..
Graham Nash
DK
#
I can [**D**]really see the [**G**]Milky [**A**]Way to[**D**]night,[**D**]
[**D**]From the furthest edge of [**G**]memory [**A**]out of [**D**]sight.[**D**]
[**D**]Will the [**Bm**]sky begin to [**A**]fall?
[**G**]No one knows at [**Bm**]all, [**G**]no one [**A**]knows___.[**D**][**D**][**D**]
#
[**D**]I can almost hear the [**G**]echoes [**A**]of the [**D**]past,[**D**]
[**D**]From the voices of the [**G**]years gone [**A**]by so [**D**]fast.[**D**]
I m [**Bm**]using all my [**A**]might, to [**G**]try and find the [**Bm**]light,
In the [**G**]Milky [**A**]Way to[**D**]night.[**D**]
#
CHORUS
[**D/C**]It seems our [**D/B**]hopes and dreams
Were a [**D/Bb**]million miles [**D/A**]away.
[**D/C**]The world s not [**D/B**]what it seems,
And it s [**D/Bb**]changing every, changing every [**A**]day..[**Asus4**][**A**]
#
SOLO: [**D**] [**G**] [**A**] [**D**] [**D**] [**G**] [**A**] [**D**]
[**D**][**Bm**] [**A**] [**G**] [**Bm**] [**G**] [**A**] [**D**] [**D**]
#
CHORUS
[**D/C**]It seems our [**D/B**]hopes and dreams
Were a [**D/Bb**]million miles [**D/A**]away
[**D/C**]The world s not [**D/B**]what it seems
And it s [**D/Bb**]changing every, changing every [**A**]day.[**Asus4**][**A**]
#
[**D**]I could swear I heard a [**G**]whisper [**A**]on the [**D**]wind.[**D**]
[**D**]Telling me a[**G**]gain what [**A**]might have [**D**]been.[**D**]
[**D**]In the [**Bm**]fading fire[**A**]light, I can [**G**]see your face so [**Bm**]bright,
In the [**G**]Milky [**A**]Way to[**Bm**]night,
In the [**G**]Milky [**A**]Way to[**D**]night.
#
(SLOW DOWN)
[**D**]I can almost see the [**G**]Milky [**A**]Way to[**D**]night.
END
