Champagne

California on the brain
G7
She s got an appetite for no refrains
A G7
Just verses she curses as blood vessels burst in defiance

G7
Where everything looks good so I treat her as any other playerwould
A G7

F A7+
Too bad, that s just too bad
F A7+
I can t be around to pick up your bags
F
And your debts, she wants to love me with threats
A7+
Not taking chances, I m hedging bets

F A7+
With other girls I m not providing pearls

I m free, free
