Dm                           C
What we do when the power s out
G                           Dm
What do we do when the lights go down
Dm                           C
What we do when the power s out
G                         Dm
What do we do when the lights go down
                         G
Down, Down, Down, Down, Down
                     Dm
When the lights go down
                         G
Down, Down, Down, Down, Down

Am                        C
Gimme data cos I need a hit
G
How I love stratospheire numbers
```

```
Am                          C
Information, I ve been craving it
G                          Dm
Gimme yours then gimme all the others
