America Snoring

Intro:

```
E[--1------1-----1-----1--]
B[--1------0-----1-----0--]      C  Bm   Am  G
G[- 2------2-----2-----2--]
D[--3------3-----3-----3--]
```

I hear America snoring
I hear America snoring

```
F                 G        F              G
Did you see it on TV, or in your own backyard?
F  G              F                                G
Gate s LAPD and they called the National Guard
F                              G
And then the tanks came rolling down Sunset Boulevard
           Dm    G                    C         Bm     Am      G
And I hear          America snoring
```

They wanna legislate the moon
They wanna legislate the womb
They wanna legislate all the things they hate
They wanna legislate this tune
And I hear America snoring

I hear America snoring
I hear America snoring, snoring

Give wind time to blow, the rooster to crow
Plug my ears and I hear America

Solo: **C Bm Am G F G F G**

See the shoemaker and his shoes
Silver needle, thread and glue
He s closin up the shop
Move it all to Timbuktu
Where the labor force is cheap and the rivers there run deep
And I hear America snoring

I hear America snoring, snoring
I hear America snoring
