40 Past Midnight with Ocean Colour Scene

This how I think 40 Past Midnight is played. I think it sounds quite right.
If you disagree you could always mail me at oscar.widegren@nykoping.com.

Chords:

A x02220
B x24442
D xx0232
G 320011 (or 320001)

D

D
When I m waiting standing on the corner
D
And it s coming 40 past the hour
D
In the midnight lonely freezing hour
D
With my insides churning in the gutter

G
And I m waiting 40 past midnight
G
Catching rain in the soda light
D
Won t you come and call me to your window
D
Please don t leave me waiting on the corner

A **B** **G**
We could have the best times if you lighten up your life

D

D
With my pockets holey on the inside
D
With my busride rolling in the gutter
D
But if you d only light your lamp light
D
Then I d be here than any other

G
Well I m waiting 40 past midnight
G
Catching cold in the pouring rain
D
Won t you come and take me to your door step
D
So I can take myself home again

A **B** **G**
We could have the best times if you lighten up your life

D

D
When I m waiting standing on the corner
D
And the soda light begins to flicker
D
And it s getting 40 past the hour
D
And I think I won t see what I figure

G
Well I m waiting freezing on the inside
G
Staring up at your window pane
D
If you won t come see me this evening
D
I can see myself here again

A **B** **G**
We could have the best times if you lighten up your life

D
