Eb - Bb - Fm - G#

Verse 1

```
Eb          Bb             Fm
You have a lot of pretty girls
G#                  Eb
Screaming for your name
            Bb
Your a superstar
                   Fm
But that s not the reason
                 G#              Eb
I just love you for who you are
                 Bb
For what you do,
          Fm
For being imperfect
                     G#
And I want you to know that
```

Chorus

```
            Eb
I love your curly hair,
      Bb
Your green eyes,
     Fm                      G#
Your dimples that makes your smile so perfect
    Eb      Bb               Fm
And I want you to be mine,
    G#           Eb     Bb
But it s impossible
    Fm     G#
Impossible
```

Verse 2

Eb - Bb - Fm - G#

(Same to Verse 1)
We live in two different worlds
And we re thousand miles apart
I m in love with a guy
Who doesn t even know that I exist
But as long as I could see
That cheeky little grin..(and)

Chorus

```
            Eb
I love your curly hair,
      Bb
Your green eyes,
     Fm                      G#
Your dimples that makes your smile so perfect
    Eb      Bb               Fm
And I want you to be mine,
    G#           Eb     Bb
But it s impossible
    Fm     G#
Impossible
```

Bridge

```
Eb           Bb
I know this sounds crazy,
    Fm        G#
But I will do anything
    Eb
And everything
Bb            Fm           G#
Anything and everything, yeah
```

(Strum Once)

```
                Eb
Just to see that curly hair,
      Bb
Those green eyes,
          Fm                   G#
Hear that voice that makes you so damn perfect
Eb               Bb            Fm
And I know that this will be possible...

I don t know
         Eb        Bb
But it s impossible
Fm       G#
Impossible
```

Chorus

```
            Eb
I love your curly hair,
      Bb
Your green eyes,
     Fm                       G#
Your dimples that makes your smile so perfect
    Eb      Bb               Fm
And I want you to be mine,
    G#           Eb     Bb
But it s impossible
    Fm     G#
Impossible
       Eb
Impossible
```
