Some days it seems not worth it  
The fight in me is all gone  
And I m not trying to be perfect  
But get just one damn thing done  
Before I lose control  
I pick myself off the floor

Never come a day that I solve you  
 Consequently I could never leave you  
 If a shadow of those living battleships  
 I love our canoe  
 I m ready for the falls

Oh, there s a clock in my head  
 And despite what it says  
 There s another one on the wall  
 They don t agree at all  
 And there s a schism in me  
 And despite what you see  
 You might see me as calm  
 But I go off like a bomb

Oh, in the comfort of strangers  
You don t see the danger  
Of just letting it flow  
This I know  
(do random pick slides w/ delay during this verse)

Before you re pointing at me  
There is a possibility  
You better turn that thing around  
Nothings come easily  
So don t you tread on me  
Cuz I will knock you down
