Buzzards And Dreadful Crows
Guided By Voices

```
    Eb                          C#
The lifeblood - the lighthouse flashing
C           B
16 chicks remain on watch
        Eb                    A
For the wheels to come rolling in
     G#
And they do...
    F
Yes they always do
       G                            G#
I d be bored and disappointed if they didn t

Eb             G
Buzzards and dreadful crows
C#                F
Right on the tip of my nose
Eb                      G
They wait like cats and fly out
         Eb                  G
For the light in my eyes to die out
        G#
And it does...
     F
Yes it always does
        G                        G#
I d be shocked and removed if it didn t

Eb             G
Buzzards and dreadful crows
  C#               F
A necessary evil, i suppose
        Eb                          G
There s something in this deal for everyone
Eb                        F            G   G#
Did you really think that you were the only one?

Eb             G
Buzzards and dreadful crows
  C#               F
A necessary evil, i suppose
        Eb                        G
There s something in this deal for everyone
Eb                        F            G   G#
Did you really think that you were the only one?
F            G   G#
You were the only one
