```

```
C#          Bbm                  F           Fm
I m so far down you can t even hurt me now
                Bb7               F         C#
I ve learned to see with my eyes shut
          Bbm            F
I heard a bird sing the saddest melody
        Fm             Bb7            F
About a paramount love, gone with the wind
```

Refrão:

```
G#         Bb            F
Well I hope time heals everything
             G#       Bb           F
Cause I need a miracle, not just anything
```

2ª parte (essa parte não toca o violão, a não
ser no último verso, é a mesma coisa da 1ª parte):

What would life be without misery?
It would grow too bright, light would blind us all
Every moment is a lesson to be learned
So hold your head up high

Guitarra (2ª Parte):

```
E|-----------------------------------------|
B|-------12-14b15p12----12------------------|
G|-12/14-------------14---------------------|
D|-----------------------------------------|

E|-----------------------------------------|
B|-17...-16...-15...------------------------|
G|------------------14...-16...-------------|
D|-----------------------------------------|
A|-----------------------------------------|
E|-----------------------------------------|
```

Refrão:

```
G#         Bb            F
Well I hope time heals everything
             G#       Bb           F
Cause I need a miracle, not just anything
You ve been punishing me, while I m trying to move on
But honey you re not worth it, you ve been in too many songs
```

A parte final do refrão:

```
