Intro: **C G**

**C G**

I ll be here awhile ain t going nowhere  
I ll be here awhile ain t going nowhere  
I ll be here awhile ain t going nowhere  
I ll be here awhile

**Bm Em**

Far is solace in the maddening pace  
Sad state written on my face

**C G**

Not a tight rope walk but dance  
Uncertain game of chance  
But I ll see it through in time

**C G**

I ll be here awhile ain t going nowhere  
I ll be here awhile ain t going nowhere  
I ll be here awhile ain t going nowhere  
I ll be here awhile

**Bm Em**

And if a person place or thing can deliver  
I will quiver with delight  
Tempted by the hand that could  
Blind my vision and sight

**C G**

But at twenty years of age  
In frolic and in rage  
I will see it through in time

**C G**

I ll be here awhile ain t going nowhere  
I ll be here awhile ain t going nowhere  
I ll be here awhile ain t going nowhere  
I ll be here awhile

**Bm Em**

But the dawn has come into the endless night  
And everything s going to be all right

**C G**

But at thirty years of age  
Through frolic and in rage

All regressed and healed in time

**C G**

I ll be here awhile ain t going nowhere

Said I, said I, said I

I will survive
