Intro: **C G**

C G

I ll be here awhile ain t going nowhere
I ll be here awhile ain t going nowhere
I ll be here awhile ain t going nowhere
I ll be here awhile

Bm Em

Far is solace in the maddening pace
Sad state written on my face

C G

Not a tight rope walk but dance
Uncertain game of chance
But I ll see it through in time

C G

I ll be here awhile ain t going nowhere
I ll be here awhile ain t going nowhere
I ll be here awhile ain t going nowhere
I ll be here awhile

Bm Em

And if a person place or thing can deliver
I will quiver with delight
Tempted by the hand that could
Blind my vision and sight

C G

But at twenty years of age
In frolic and in rage
I will see it through in time

C G

I ll be here awhile ain t going nowhere
I ll be here awhile ain t going nowhere
I ll be here awhile ain t going nowhere
I ll be here awhile

Bm Em

But the dawn has come into the endless night
And everything s going to be all right

C G

But at thirty years of age
Through frolic and in rage

All regressed and healed in time

C G

I ll be here awhile ain t going nowhere

Said I, said I, said I

I will survive
