Good Touch Bad Touch
Picnicface

Tab for picnicface s good touch, bad touch. This is one funny song.

```
C#                          F#
Theres a good touch, and a bad touch
Bbm                           F#
You have to know the diff-er-ence
C#                           F#
A good touch makes you feel good
Bbm                              F#
But a bad touch makes you feel tense
```

Basically repeat the chord pattern C, F, Am, F throughout the song
