Here s my take on the chords. Enjoy you weebos.

Note: You can alternate between Em and Em7 when playing the second and fourth Em of the
Intro, Verse, and Outro. Like so:

```
   C#  Ebm C#  Em\Em7
e|-2--0--2--0-0-0-0-0-0-|
B|-3--0--3--0-0-0-0-0-0-|
G|-2--0--2--0-0-0-0-0-0-|
D|-0--2--0--2-0-2-0-2-0-|
A|----2-----2-2-2-2-2-2-|
E|----0-----0-0-0-0-0-0-|
```

Fill at the end of Pre-chorus 1&2

```
e|-----------------------------|
B|---2----2----2----2---------|
G|-----2----2----2----2-------|
D|-----------------------------|
A|-0---------------------------|
E|-------3----2----0----------|
```

Fill at the end of Verse 3:

```
e|------------------------|------------------------|
B|---2----2----2----2----|---2----2----2----2-----|
G|-----2----2----2----2--|-----2----2----2----2---|
D|------------------------|-----------------2------|
