Lyrics/Song Structure:

=====

---> Drum Intro

---> Play Riff 1 over:

I flip when I kick it trippin it
So I can check shit not in a daily style
But once in every while so I can
File check file check the files of my brain
Many of meaning manage to come from the insane
And the butcher the baker the fabulous drama maker
A cracker on a truck goin breaker, breaker
Listen to everyone then disregard it
The maningful shit comes back back to where it started
In your cranium surrounded by pot like a geranuim

A capital 2 burns in my mind give me some peace
I looked at her I looked at him and neither one did know
Where the wild thoughts grow check it out

---> Play Riff 3:

I look to absolutes and there s absolutely none
The truth is what you shoot for not one
Nothing brings it all together the journeys never done
I d sing you Stormy Weather but it s been sung so
Let s have some fun

---> Play Riff 1 over:

Three Eleven has grassroots come on now
Three Eleven has grassroots true
Three Eleven has grassroots for your momma
Three Eleven has grassroots

---> Play Riff 4 over:

Challenge comes and goes and there will be another
I say bring it on
The roots that grow underground are as big as the tree
That you see if not it will fall down

---> Play Riff 5 over:

We waste so many moments standing on convention
The only survey is when our heart pays no attention

---> Play Riff 1 over:

Move with persistence cover much distance
Knowing no perdition that s my game for instance
Three Eleven true to no tradition
And the Three Eleven crew not dow with convention
But a hundred different people already told what we about
So I make not attempt to try and suss the stupid out
I d turned into a roughneck that was not my intention
It doesn t even really matter unless I fail to mention that

---> Play Riff 2 over:

Peace to all crews that want some peace
First the Mid then the West then we slide through the East
A piece to any crew that want a piece

---> Play Riff 1 (2nd half) over:

But peace to all crews that want peace
Check it out

---> Play Riff 3 over:

I look to absolutes and there s absolutely none
The truth is what you shoot for not one
Nothing brings it all together the journeys never done
I d sing you Stormy Weather but it s been sung so
Let s have some fun

---> Play Riff 1 over:

---> Play Riff 4 over:
