With You In Your Dreams
Hanson

[Intro:] **D G D G A Bm D G A Bm A D G A Bm D G**

```
        D                              G
If I m gone when you wake up, please don t cry
            D                              G
And if I m gone when you wake up, is not goodbye
       D                                          G
Don t look back at this time as a time of heartbreak and distress
   D                   G
Remember me, remember me
                            D         G
Cause I ll be with you in your dreams
                         D G
Hooo. Ohh I ll be with you

        D                              G
If I m gone when you wake up, please don t cry
            D                            G
And if I m gone when you wake up don t ask why
       F#m                                        Em
Don t look back at this time as a time of heartbreak and distress
   D                   G
Remember me, remember me
                            D         G
Cause I ll be with you in your dreams

 D
Don t cry, I m with you
 G
Don t sigh, I m by your side
 D
Don t cry, I m with you
 G
Don t sigh, I m by your side

And though my flesh is gone,
I ll still be with you at all times
And though my body is gone,
I ll be there to comfort you at all times

I don t want you to cry and weep,
I want you to go on livin  your life
I m not sleepin  an endless sleep,
Cause in your heart you all have good times
```
