Johnny And Mary
Placebo

Intro: **C**

```
                C                              Am
Johnny s always runnin around, trying to find certainty
                 C                                   Em
He needs all the world to confirm that he ain t lonely
                F                     G
Mary counts the walls, knows he tires easily

                  C                                        Am
Johnny thinks the world would be right if it would buy truth for him
            C                               Em
Mary says he changes his mind more than a woman
                 F                   G                F G
But she made her bed, even when the chance was slim

                 C                                  Am
Johnny says he s willing to learn when he decides he s a fool
                  C                                 Em
Johnny says he ll live anywhere when he has time to
               F                       G
Mary combs her hair. Says he should be used to it

            C                                Am
Mary always hedges her bets, she never knows what to think
                    C                            Em
She says he s still acting like he s being discovered
                     F                G
Scared that he ll be caught without a second thought
```
