We Took The Wrong Step Years Ago
Hawkwind

```
  C#7/B           C#7/6          C#7
Think about the things that we should have done before
     C#7/B          C#7/6    C#7
The way things are going the end is about to fall

 B                              C#7
We took the wrong step years ago
 B                              C#7
We took the wrong step years ago
 B                              C#7
We took the wrong step years ago

 C#7/B        C#7/6             C#7
Take a look around and see the warnings close at hand
   C#7/B            C#7/6          C#7
Already weeds are writing their scriptures in the sand

     C#7/B          C#7/6           C#7
The morning sun is rising, casting rays across the land
   C#7/B          C#7/6         C#7
Already nature s calling, take heed of the warning
