**Ill Find A Way**
**Rachael Yamagata**

this is the basic chord structure. it s not perfect but it s something to work from

```
C          Am        G        C
I ll find a way to see you again
I ll find a way to see you again

F                            Am7/C
I used to think that anything I d do
G                      C
Wouldn t matter at all anyway
F                                Am7/C
But now I find that when it comes to you
G                          C
I m the winner of cards I can t play
Dm
Wait for me, wait for me
Em                     F                      G
Darling, I need you desperately, desperately here

C          Am        G        C
And I ll find a way to see you again
And I ll find a way to see you again

F                       Am7/C
The rain is like an orchestra to me
G                               C
Little gifts from above meant to say
Dm           F            G
Girl, you falling at his feet
Am               G         C
Isn t lovely or stunning today
Dm
Wait with me, wait with me
Em                     F                            G
I m alive when you re here with me, here with me, stay

C          Am        G        C
And I ll find a way to see you again
And I ll find a way to see you again
```

i m not sure about the bridge.
