         C                   F
Oh, Shenandoah, I long to hear you
   Am                C
Away, you rollin  river
       Am                  F   Am
O Shenandoah, I long to hear you.
  C              Em
Away I m bound to go
Am          F     G  C
 Cross the wide Missouri.

       C                            F
 Tis seven long years since I last saw you
  Am                 C
Away, you rollin  river
      Am                      F      Am
 Tis seven long years since I last saw you
  C             Em
Away I m bound to go
Am          F     G  C
 Cross the wide Missouri.

C                  F
Oh Shenandoah, I m bound to leave you
Am                C
Away, you rollin  river.
Am                 F   Am
O Shenandoah, I ll not deceive you,
C             Em
Away I m bound to go
