Sunset in july by 311 chords

Capo 5

intro

**Dm** - **C** x2

**Dm**

Well I can show you how it is done

There s no competitors

**Dm**

Time to say goodbye to the sun

It takes a better turn

**C**

Wake up, it s not your typical rehash

Something unpredictable

**C**

Do you really know that?

**Dm**

I will remember this one

I m just on pure momentum

**C**

Rock out and break up your own suppression

I like to see you having fun

**C**

In the setting sun

**C**

**G**

Sunset in July

**Am**

**F**

Rockers by my side and time is flying by

Ba da dop dop da dee-yah

**C**

**G**

Watching you dancing and having the time of your life

And it s getting me high

**Am**

**F**

Time is flying by

Whoa oh-oh-oh

**Dm** - **C**

**Dm**

January, February, March into May

Here s June with a tune just to brighten my day

**C**

Sunsetting in July I m gonna fade em away

Time is sliding, time is sliding on, hear what I say, whoa!

**Dm**

If you believe that, believe that

Back-up, back-up, you need that, need that

**C**

Space & time and time & space is my way

I m forever in existence, I m forever okay

**C**

**G**

Sunset in July

**Am**

**F**

Rockers by my side and time is flying by

Ba da dop dop da dee-yah

**C**

**G**

Watching you dancing and having the time of your life

And it s getting me high

**Am**

**F**

Time is flying by
