Eb **Fm**
This car is a war machine that runs on nicotine and gasoline.

Donâ€™t you fucking know this is the wrong side of the road?

Who needs brakes when itâ€™s all down hill from here?

And if we ainâ€™t died yet, then just maybe we never will.

Seat belts are for people who have time to die;

Eb F# G# B C#
Because I donâ€™t wanna miss a moment of loathing everything that I see.
Eb F# G# B C#
I stay up nights afraid of everything, till all thatâ€™s left is the shadows and me.

Ask me from sunrise to sunset: no, I ainâ€™t left the house yet.

I finally love you enough to stay, enough to stay away.

Give me the satisfaction of a dramatic exit, and not just
Eb G G# Bb
A long car ride and a short goodbye in a parking lot.
