C                  F              C
You can offer me a diamond-plated pearl;
C                       F             G
You can send me all the riches in the world;
C                         F          C
You can tempt me with the palaces of kings;
Am                              G                 C     F   C
I d give  em back in a big ol  sack and keep the simple things

             F                            C
I ve got the simple things; I ve got the rain in spring,
          D                                G
Got spicy chicken wings, and French-fried onion rings

         C            F       C
You can line me up a mile of limousines;
    C               F               G
For me it don t add up to a hill o  beans;
         C             F             C
I got no hankerin  for grabbin  your brass ring;
       Am                            G                  C     F   C
It s crystal clear - I ll stay right here and keep the simple things

             F                     C
I ve got the summer breeze, got 16 cans of peas,
            D                    G
A two-speed window fan when it s 93 degrees,
    C                 F                   C
So forgive me for not grabbin  your brass ring;
             Am                      G                  C     F   C
It s crystal clear - I ll stay right here and keep the simple things
             Am                      G                  C     F   C
It s crystal clear - I ll stay right here and keep the simple things
