Bye Bye Love
Raul Seixas

```
   Chorus:
F           C
 Bye bye love
F                  C            F           C
 Bye bye happiness, hello loneliness
      C               G7    C
 I think I m-a gonna cry-y
  F            C    F                       C        F        C
 Bye bye love, bye bye sweet caress, hello emptiness
               G7        C
 I feel like I could di-ie
          C         G7         F
 Bye bye my love goodby-eye

                           G7                              C
 There goes my baby with-a someone new
                        G7                        C
She sure looks happy, I sure am blue
                      F                           G7
 She was my baby till he stepped in
                          G7                              C
 Goodbye to romance that might have been

 Chorus
                                G7                                        C
 I m-a through with romance, I m a-through with love
                              G7                      C
I m through with a countin  the stars above
                       F                          G7
 And here s the reason that I m so free
                 G7                          C
 My lovin  baby is through with me

 Chorus
          C         G7         C
 Bye bye my love goodby-eye
          C         G7         C
 Bye bye my love goodby-eye
         C          G7         C
 Bye bye my love goodby-eye
