Your Cheatin Heart
Ray Charles

```
G             C                   F
Your cheatin  heart will make you weep;

        G                         C
You ll cry and cry and try to sleep,

   C                                     F
But sleep won t come the whole night through --

                G                 C
Your cheatin  heart will tell on you.

                  F                 C
When tears come down like fallin  rain,

               D7               G7
You ll toss around and call my name.

                  C              F
You ll walk the floor the way I do --

                G                 C
Your cheatin  heart will tell on you.

Your cheatin  heart will pine some day;
You ll crave the love you threw away;
The time will come when you ll be blue --
Your cheatin  heart will tell on you.

When tears come down like fallin  rain,
You ll toss around and call my name.
You ll walk the floor the way I do --
Your cheatin  heart will tell on you.

  C              G                 C   F   C
Your cheatin  heart will tell on you.
