```
C                Am
Here I am again
F                G
Here I am again
                      C      Am
I didn t even note her

F                                                        G
I didn t even know her

C                Am
I could be singing
                  F
To a lonely voice

You could say

G     C
this is a lonely voice

Am
She didn t even turn

F
turn to look at me

G           C
She didn t even turn (to me)
                      Am
He s got his friends

F
She comes easy
```

```
                G
He comes around

C
when she is gone
                                          Am
Here I am again

F   G
Here I am again
C
Am
   She didn t even turn

F
To look at me
                                                                      G
Let me in
```

Same progression, a few time with solo, end on C.
