Intro **C**-----**Em**

VERSE 1

C
This town is colder now, I think it's sick of us
Em
It's time to make our move, I'm shakin' off the rust
C
I've got my heart set on anywhere but here
Em **Am**
I'm staring down myself, counting up the years
F
Steady hands, just take the wheel
Am
And every glance is killing me
F
Time to make one last appeal for the life I lead

CHORUS

C
Stop and stare
G
I think I'm moving but I go nowhere
Am
Yeah, I know that everyone gets scared
F **F** **G**
But I've become what I can't be, oh
C
Stop and stare
G
You start to wonder why you're here not there
Am
And you'd give anything to get what's fair
F
But fair ain't what you really need
F **C**
Oh, can you see what I see?
