Verse 1:
```
  G2        Em7         C2        Dsus    D
[ / / / / ][ / / / / ][ / / / / ][  /  /  /  / ]
G                      Em7
  The Jordan is waiting    for me to cross through
C2(no3)                  Am7(4)       Dsus   D
        My heart is agin        I can tell
G                                Em7
  So Lord I m asking for one last    favor from You
          C2(no3)     Am7(4)               Dsus
Here s my  heart  take  it  where You will

G                                  Em7
  This life has shown me how we re mend-ed and how we re torn
C2(no3)                           Am7(4)                 Dsus    D
        How it s okay to be lone-  ly  as long as you re   free
G
Sometimes my ground was stony
             Em7
And sometimes covered up with thorns
         C2(no3)               Am7(4)
And only   You   could make it  what  it had to be
Dsus
     And now that it s done
Am7(4)                          Gmaj7/B
       If they dressed me like a  pau-  per
             C             Gmaj7/B
Or if they dined me like a prince
Am7(4)                   Gmaj7/B
  If they lay me with my   fa-   thers
         C2(no3)                  D7sus
Or if my  ash-  es scatter on the wind I don t care

 G                         Am7        G/B   C     D
But when I leave I want to go out like  E-li-jah
Em7                           D/F#    G     C2  D/C
With a whirlwind to fuel my char-i-ot of fire
           G/B                    C
And when I look back on the stars
                 G/D              B/D#           Em  Asus  A
It ll be like a can- dlelight in Cen- tral Park
    C                    Dsus              G
And it won t break my heart to say goodbye
 Em7         C2         D

Verse 2:
There s people been friendly, but they d never be your friends
Sometimes this has bent me to the ground
Now that this is all ending
I want to hear some music once again
 Cause it s the finest thing that I have ever found

But the Jordan is waiting
Though I ain t never seen the other side
Still they say you can t take in the things you have here
So on the road to salvation
I stick out my thumb and He gives me a ride
And His music is already falling on my ears

There s people been talking
They say they re worried about my soul
Well, I m here to tell you I ll keep rocking
 Til I m sure it s my time to roll
And when I do

Repeat Chorus:
But when I leave I want to go out like Elijah
With a whirlwind to fuel my chariot of fire
And when I look back on the stars
It ll be like a candlelight in Central Park
And it won t break my heart to say goodbye

Repeat Chorus:
 Cause when I leave I want to go out like Elijah
With a whirlwind to fuel my chariot of fire
And when I look back on the stars
It ll be like a candlelight in Central Park
```
    C                      D7sus
And it won t break my heart
       G2
To say    goodbye
 Em9         C         Dsus    D
[ / / / / ][ / / / / ][  /  /  /  /  ]
  G2        Em9         C         Dsus    D
[ / / / / ][ / / / / ][ / / / / ][  /  /  /  / ]
Repeat and fade:
  G2        Em7         C2        Dsus    D
[ / / / / ][ / / / / ][ / / / / ][  /  /  /  / ]
