Intro: **G** (x2) **Em7** **C** **CM7**

1.
G
All the earth come alive
Em7 **C CM7 G**
Lift your eyes to the morning
Let our hearts beat again
Em7 **C CM7 G**
With a lifeblood that never fails
Em7 **C CM7 G Em7 C CM7**
Your love it will never fail

G Em7 C CM7 (X2)

2. (repeat above chords)
Breaking down the divide
In a holy collision
The divine in disguise
Took the cross for our sins and shame
Our God You will never fail

3. (repeat above chords)
See the lost in return
Swing the doors ever wider
See the tide as it turns
Love and mercy is on the rise
As the world folds into your light
All creation will see your light

4. (repeat above chords)
Hear the sound of freedom rise
As our song breaks the silence
Echoing the angel cry

Let us lift up Your Holy name
Hereafter to sing your praise
Forever and ever

Chorus.
G
We will hold, we will love,
Dsus2/F#
We will fall in surrender
Em7
We will rise, we will run,
Cadd9 **G**
We will live to declare your name,
Dsus2/F# **Em7**
Forever to bring you praise,
Cadd9 **G** **Em7** **C CM7**
Forever we ll lift up your name

G **Em7** **C CM7**

5. (repeat verse chords)
The universe on its knees
See the stars in surrender
God above kings and queens
Every idol will bend and break
But our God You will never fail
Forever and ever

C2. (repeat chorus chords)
We will hold, we will love,
We will fall in surrender
We will rise, we will run,
We will live to declare your name,
Forever to bring you praise,
Jesus, Jesus

We will hold, we will love,
We will fall in surrender
We will rise, we will run,
We will live to declare your name,
Forever to bring you praise,
Forever we ll lift up your name

Bridge.
G
Swing the doors wider
Dsus2/F#
Sound the praise louder
