```
FA                   SIb     DO
Oh... Donna... Oh... Donna...
FA                   SIb     DO
Oh... Donna... Oh... Donna...

FA                     SIb            DO
I had girl and Donna is her name.
FA                               SIb                   DO
Since she left me, I ve never been the same.
                FA                         SIb           DO
 Cause I love my girl, and Donna, oh where
             FA          SIb           DO
can you be? Where can you be?

FA                                  SIb         DO
Now that your gone, I m left all alone.
FA                           SIb           DO
All by myself, to wonder and groan.
               FA                          SIb          DO
 Cause I love my girl, and Donna, oh where
               FA               SIb       FA  FA7
can you be? Where can you be?

Well darling, now that your gone,
             FA
