**Dicknail**
**Hole**

bass tab transcribed by geniefur (*)

hey daddy..
```
G -------------------|------------------
D -------------------|------------------
A -------------------|------------------
E -2-2-2-3-2-2-2-3-2-|------------------
```

i said stop..
```
G ---------------|------------------
D ---------------|------------------
A ---------------|------------------
E -7--2-2-2------|------------------
```

bridge part:
```
G -----------------|------------------
D -----------------|------------------
A -----------------|-3-3-3-3-1-1-1-1---
E -2-2-2-3-2-2-2-3-|------------------
```

claw claw on your sack..
```
G --------------------|------------------
D --------------------|-2-3-2-3-5-7/1----
A ----------2-3-2-3-3-|------------------
E -2-3-2-3-3----------|------------------
```

song format:
the first bass line continues on heaps of times
up til the  i said stop i did what you said
i did what you want  part..
then it goes back to the first one for another verse
and the back to the  i said stop  riff
then the bridge is played throughout the guitar solo
etc etc..
