A Stolen Kiss
Robert Plant

```
Gm   Dm         F
How long has it been like this
Bb        Eb         Bb
Lost and found and lost yet again
Gm          F          Bb     Eb
Here in the heat of a stolen kiss
  Bb
I make my home

Bb    Dm         F
How long has it been this way
Bb      Eb         Bb
On and on as the days slip away
Gm         F        Bb          Eb
Oh lost in language oh lost in song
    Bb
I m gone

Ebm   Bb

F#5               F5      F
I am drawn to the western shore
          F#5                          F5
Where the light moves bright upon the tide
F#5                    F5        F
To the lullaby and the ceaseless roar
F#5                      G#
And the songs that never die

Gm         Dm                  F
Love waits for no one, there s so little time
     Bb         Eb           Bb
It s cruel and elusive and so hard to find
    Gm     F           Bb              Eb
And moving further and further each day
    Bb
I m gone
