```
A           Dadd9
What else can I do
A                        Dadd9
When the tears have all been wasted
A                         Dadd9
And the only voice you choose to hear
A                           Dadd9
Sings the songs of our hearts breaking
A                             Dadd9
Say your dreams they all have changed
A                             Dadd9
And my smiles they all have faded
A                             Dadd9
And the thoughts that used to seem so pure

In my heart they now feel jaded
