Date: 7/11/2005

Tuning (low to high): EADGBE

Chords used:

Bb x32010
Ebmaj7 x33210
F 320033

Intro:

```
E|-----------0-----------------3---------|
B|-----------1-----------------3---------|
G|-------0---0-(strum)-----0---0-(strum)-|
D|---2h3-----2---------2h3-----0---------|
A|---------3-3-----------------2---------|
E|----------------------------3-3---------|

E|---------------0-----------------------------------------|
B|-------------1-1--------------------1--------------------|
G|-----------0---2-(strum)-----------0--(let ring)-----0---|
D|-----0h2h3-----3---------------0--2--------------2h3-----|
A|---3-----------3-----------0-3---3-----------------------|
E|-------------------------3------------------------------|
```

Verse:

```
Bb                                  F
   Swift and true straight to my heart
                 Ebmaj7                        Bb
   Love has come calling and I m back there again
Bb                               F
   I pour myself a brand new start
              Ebmaj7                    Bb
   Glad to be falling for the beauty within
```

Chorus:

```
   F                 Ebmaj7
   All the King s horses
   F               Ebmaj7
```

All the King s men

Verse:

```
Bb                              F
   I m on the outside looking in
             Ebmaj7          Bb
   Over and over and over again
Bb                                  F
   There s no telling where I ve been
                Ebmaj7                    Bb
   How I returned here, how much I have seen
```

Chorus:

```
   F                Ebmaj7
   All the king s horses
   F               Ebmaj7
   All the king s men
```

Bridge:

```
Bb                                 Ebmaj7
   I ll weave a circle round the sun
Bb                                  Ebmaj7
   Throw down my arms and give my all
Bb                            Ebmaj7
   I ll be your soldier of love
```

That s the song... very easy. Play the fills between the chords if you want, it sounds better.
