

City Below  
36 Crazyfists

**Am**

Its a midnight swim

**G**

**F**

**G**

Where it is late and the air is all clear

**Am**

**G**

And i remember that evening, you on the floor

**F**

**G**

I was so attached to the ceiling

**F**

**G**

**Am**

Look behind the glass in your mouth

**G**

These words i am, due for

**Am**

**G**

**F**

**G**

The sun will set tonight under the lonely dreamers

**Am**

**G**

**F**

**G**

Only to rise again, so we can start it over (we ll start it again)

**Am**

**G**

And you were right

**F**

When you whispered in my ear

**G**

And it all became so clear

**Am**

Its going to be alright

**G**

Everything will be all right

**F**

**G**

Even if...even if the city ignites

preverse

chorus

bridge(x2)

Now to get back to

The road where theres windows as large as the city below

chorus

ending

the sun will set tonight

If i can play it, anyone can (:
