Bum Like You
Robyn

Bm A E

```
                        Bm                A
You re always up to no good
     E
your finger s in my cookie jar
                Bm                    A
you can have my checkbook, visa and my mastercard too
         E
ain t no price too high for what you do

             Bm   A
You could be my dog
                  E
I would post your bailbonds when cash was tight

              Bm  A
We could fall in love
               E
I could be the apple of your eye

Let s do it right now

G                             D
My new favourite thing to do
   A                    Bm
is wasting my time on a bum like you
G                             D
My new favourite thing to do
   A                    Bm
is wasting my time on a bum like you
