?Nothing?s like this exit! Pale white skin on memory!

Lyrics-

So we went after the crash,
We step out alone.
An undivided healing
That swallows us whole.

-Verse 1-

The air cuts like glass
And how long will you last, forever
And congratulations
You ve become what you wanted.
Stepping out of this car with that look in your eye
And knowing that you ve never looked so beautiful.

-Chorus-

Telephone lines away,
Death on the end and I?m screaming.
226 on the door,
Asking to make out while watching the war.

So we went after the crash,
We step out alone.
An undivided healing
That swallows us whole

Nothing?s like this exit,
Pale white skin on memory
Nothing?s like this exit,
Pale white skin on memory

-Verse 2-

And I?ve got the proof to frame the way.
As we danced, we bled across the floor.
And that never-ending supply what we wished for.
It took me 14 hours to get this sore
And knowing that you?ve never looked so beautiful

-Chorus-

-Interlude-

25 days and I still can?t get this right
25 days and I still can?t get this right
