Without You Acoustic
Ross Lynch

Hi. Sorry about the last one.

```
E                                A
There s no way I can make it without you,
E
Do it without you,
B
Be here without you.
E                                  A
It s no fun when you re doin it solo,
E
With you it s like whoa,
B
Did you not know?
E            A
I------- own this dream  cause
E        B
I------- got you with me
E                                A
There s no way I can make it without you,
E
Do it without you,
B                        B
Be here without you!
