Standard Tuning

Intro
A G D
A G D

```
A                           G              D
A hard knock, a cold clock ticking off my time
A                        G                D
A long look, but no luck couldn t seem to find
D/C# D/C        Bm7            G             A
Or unwind, into peace of mind, Though I was trying
A                               G                 D
A quick glance, a big chance my heart beat like a drum
A                     G                        D
I saw you, and I knew chances just don t come
D/C#   D/C            Bm7         G            A
Round again, not like this, first a laugh, then a kiss

         D   Em7   G
And I m free in   you
            D              Em7   G            A
I ve got no worries on my mind I know what to do
          D/C                 Bm7
That s to treat you right and love you kind
D              D
Thank you ever on my mind
E11               G                    A
Love is just like breathing when it s true
         G   Bm7  D
And I m free in   you

A                              G            D
The lost time, and self pride are my big mistakes
A                           G               D
A clear voice, a bad choice sounding like an ache
D/C#  D/C          Bm7           G           A
In my day, not too bad, but too real, to go away

             D   Em7  G
But now I m free in  you
            D             Em7    G            A
I ve got no worries on my mind I know what to do
```

```
          D/C                 Bm7
That s to treat you right and love you kind
D              D
Thank you ever on my mind
E11               G                    A
Love is just like breathing when it s true
         G   Bm7  D
And I m free in  you

    E7            Gm                D             D7
And I don t know, how you show such gentle disregard
         E7         Bm                      D
For the ugly in me, that I see, that for so long
          D7
I took so hard (I took so hard)
      Em7     F#m
But I truly believe (I truly believe)
         G               A
That you see the best in me (That you see the best in me)
     Em7            F#m           G                  A
I m enough for your love, and the thought it sets me free

D    Em7  G
Free in  you
       D             Em7    G            A
Got no worries on my mind I know what to do
          D/C                 Bm7
That s to treat you right and love you kind
D              D
Thank you ever on my mind
E11               G                   A
Love is just like breathing when it s true
        G    D/C  D
And I m free in   you
        G    E   D
Yes I m free in  you
