**Sam Smith**

intro:

```
    E                          B/F#    C#m                         B/A
E|---4---4---4---4---4---4---2---2---0---0---0---0---0---0---2---2--|
B|---5---5---5---5---5---5---4---4---2---2---2---2---2---2---4---4--|
g|-----------------------------------------------------------------|
d|-----------------------------------------------------------------|
a|---------------------------------4---4---4---4---4---4---0---0----|
e|-0---0---0---0---0---0---2---2-----------------------------------|
```

verse:

```
E                           B/F#    C#m                B/A
I had a dream i was mugged outside your house
        E                           B/F#    C#m        B/A
I had a dream in a panic you came running out
E                           B/F#    C#m                B/A
For a moment you were sure i d die on you
E                            B/F#  C#m                B/A
For a moment i believed you loved me too
```

pre-chorus:

```
B                           A  B                D
But life is never like this, and you re never strong
```

chorus:

```
C#m                      B   E                    A
Too much of a good thing,  won t be good for long
C#m                             B   E                              G#m    G#7
Although you made my heart sing,  to stay with you would be wrong
C#m                      B    E                 F#m
Too much of a good thing,  won t be good anymore
G#m            G#7             A           F#
Watch where i tread before i fall
```

Interlude:

```
E B/F#   C#m B/A
```

verse:

```
E                 B/F#   C#m                     B/A
We?d talk maybe twenty times a day
E                             B/F#    C#m        B/A
And still i never say what i want to say
```

pre-chorus:

```
B                           A  B                    D
I thought i wouldn t need to, i guess i read you wrong
```

chorus:

```
C#m                      B   E                   A
Too much of a good thing,  won t be good for long
C#m                           B   E                          G#m    G#7
Although you made my heart sing,  to stay with you would be wrong
C#m                    B    E                F#m
Too much of a good thing,  won?t be good anymore
G#m            G#7
Watch where i tread before i fall

strings:
F#m       B   C#m
F#m       B

riff:
E   B/F#  C#m  B/A

pre-chorus:
B                    A  B                D
You refuse to see this, don t see it anymore

chorus:
C#m                    B   E                   A
I have made a decision,  not to answer your calls
C#m                           B   E                       G#m    G#7
Cause i put everything out there,   and i got nothing at all
C#m                    B   E                F#m
Too much of a good thing   isn t good and you know
G#m             G#7            A
I watch where i walk before i fall
F#        E
Before i fall
```
