Omen
Sam Smith

```
Bbm                      Fm
 I m feeling something, something different
Ebm                  F#       G#
 When you left, my picture changed
Bbm             Fm
 I was blinded, I d not envisioned
Ebm                  F#       G#
The same face in a different frame

Bbm      F# Fm  C#
 It s an omen, caught my baby crying
F           F7
Saw the silver lining
Bbm            F# Fm
  It must be an omen
C#                      F              F7
Needed you to show me, without you I am lonely

Bbm             Fm
 My mind would rule my heart
  Ebm                           F#            G#
I didn t pay attention to the light in the dark
Bbm          Fm
It left me torn apart
    Ebm                           F# G#
But now I see your tears are an omen

Bbm          Fm        Ebm  F# G#
Oh-Oh-Oh-Oh Oh-Oh-Oh Omen
Bbm          Fm        Ebm  F# G#
Oh-Oh-Oh-Oh Oh-Oh-Oh Omen

Bbm               Fm
 You were waiting, I was vacant
Ebm          F#       G#
 You left before my eyes
Bbm              Fm
Then it hit me, you re relocating
Ebm             F#        G#
And I need you by my side

Bbm      F# Fm  C#
 It s an omen, caught my baby crying
F           F7
Saw the silver lining
Bbm            F# Fm
  It must be an omen
