Beltaine

Chord version pieced together for acoustic guitar

Verse 1
```
Dm           G
Underneath the neolithic sky
C            Dm
Where the beasts are so proud to die
Dm                          G
Across the sea of a million dreams
C                           Dm
Where nothing is as it once seemed
```

Chorus
```
Gm         A#
I hear the Pan Pipes playing
Gm          A#
In what the wind is saying
F
Here comes the fallen angel, Here comes the long-dead god
Dm            A#
Back from the years in exile
F                          C
Here comes the wild Pagan heart
```
